Missions Focus

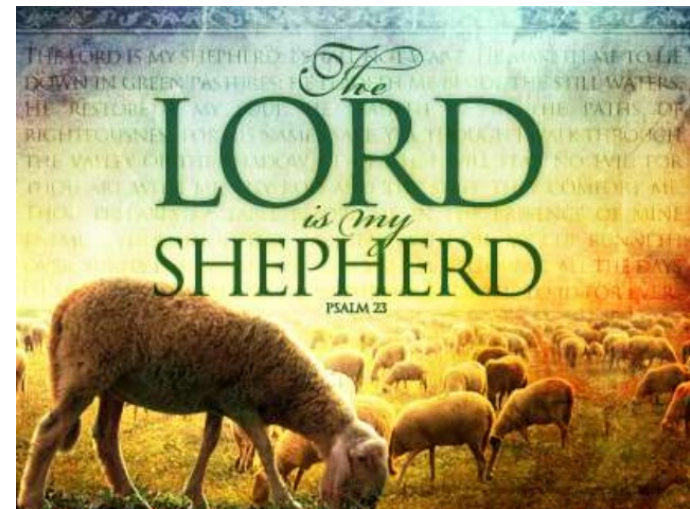

Mike and Cher Riepma:

Recent update: "We love our new duplex apartment/home in Florida and the fellowship with retired missionaries and seasonal volunteers has been great. I have been helping in maintenance at the center and I have joined a local church. Cher will go through the membership classes later. A life group from church has been such a blessing for me, getting to know new people on a deeper level. Each week I really enjoy a group of pickle ball players as we have fun competing and staying active. Thank you for your prayers"
