## **Missions Focus**

*Sheb Varghese The India Mission for Evangelism*

*From Recent Update: “After waiting and praying for several months,  
Peniel's new secretary and president has been approved by the FCRA  
(Foreign Contribution Regulation Act). This is big news for us and something  
we've been eagerly hoping for. The government of India currently has several  
restrictions on organizations and communities like Peniel receiving financial  
aid from the United States, and without the proper FCRA approval, Peniel  
can only receive limited funds from the US.”*
