## **Missions Focus**

*"My Father, Michael Riepma, passed away earlier today, April 11. He battled pancreatic cancer for almost exactly one year. All of my sisters and I were able to be with him during his last week here on Earth. We are thankful that he is free from pain and suffering. We know he is rejoicing in Heaven with Jesus. God answered each of my Dad's prayers this past year, except for healing. He found out he had stage 4 pancreatic cancer in April 2024. He prayed that he would be alive and able to enjoy our Riepma family reunion in Pensacola in August 2024. Once he found out that my sister Jenny and my wife Becca were expecting, he prayed that he would be able to meet and hold his grandson and granddaughter. He met Andre in Dallas in February 2025, and he met and held our daughter, Ivy Jane, for the first time on Monday, April 7th. Dad prayed that he would be an encouragement to other patients and the medical personnel that he interacted with, and he was. God gave Dad a great life and used Dad for His Kingdom. Many will miss him. Thank you for your prayers for our family."*

*Sincerely,  
The Riepmas*
