T.I.M.E From Recent Update:

"I want to thank you all for your generous support to the work we're doing in South India. I ask for your continued prayers and financial support. We've recently hired some new teachers at Peniel, and we want to be able to care for them well. I hope Peniel is known as an institution where great theological learning and empowerment takes place with excellent faculty and hard-working students. We can make that happen together."

Thank you.

Sincerely,

Sheb Varghese

President, T.I.M.E."
